An automatically required test conducted at the James farm and the average of two consecutive days in comparing the records there with the average production for the entire 403 cows tested was 10.5 lbs. of milk, 3.7% test, 27.5 lbs. fat for the month of June, 1923. Hay was being fed by four members, stage by seven, and grain was fed to 15 of the 23 herds. The 425 cows averaged \$10.22 a head for the month of June, 1923, as compared with \$9.12 a head for the month of June, 1922. This is \$1.10 more than they averaged last year in June and represents the difference between profit and loss in the two years for the month of June.

Clarence Pester has installed a milking machine to help care for his herd of pure bred Holsteins during the present labor shortage. He has a herd of 14 cows and 100 lbs. of butterfat apiece for the two months that ended June 30th, as follows:

SELECTING GRAINS FOR COUNTY BOOTH

Rock Will Have County Booth at Wisconsin State Fair.

Samples of grains, grasses, forage crops and other field products are being obtained by County Agent R. T. Glasco for the Rock county booth at the state fair, August 27 to September 1. Appropriation by the county board of funds needed to enter and obtain the exhibits will enable Rock county to make an extensive booth display of field and farm products.

A great variety of seeds and grains are needed to make a credible showing. L. E. Jackson of the Janesville high school is aiding the county agent with this exhibit. Any farmer having a sample of forage crops, seeds, corn, stock or poultry vegetables or garden products is urged to cooperate with the county agent at once. There is no expense to the owner in having his product put in the county booth.

Plan Apple Exhibit. Spray ring members are co-operating to put an exhibit of fruit in the exhibit. The Rock county Beekeepers will show graded honey. Tobacco samples will be obtained through growers in the Northern Wisconsin Co-operative Tobacco pool and other farmers. Each sample is entered under the owner's name and the award made on total points scored.

An attempt is being made this year to not only have a great exhibition of livestock at the state fair, but also, to exhibit the best field and orchard products raised in the county. There must be at least 25 farmers participating in the exhibit and there is no practical limit as to how many can be represented. Show grains are desired in large number and samples must be collected early so as to prepare the samples to be attractive.

Six samples of potatoes from six different farms or gardens are wanted. At least 25 plates of fruit, not exceeding 10 varieties, and not from more than five farms are needed.

"What we want is as many good samples of different products from as many different farms as possible," reports County Agent Glasco. "The exhibits must be listed in the owners' name and it is a good opportunity for the producer to be represented at the state fair without cost. Besides it is

FIRST BAND CONCERT AT CO. FARM JULY 12

The first of a series of band concerts to be held at the Co. Farm will be held on the grounds of the Rock county farm July 12. The Milton band has been secured for the first program being arranged by Charles Marquette.

F. B. OFFICERS TO MEET ON JULY 10

Members of the Rock County Farm Bureau executive committee will meet in the court house the afternoon of July 10. The directors will meet in the evening.

An advisory committee representing all the breed associations and breeders of livestock in the county is being formed. This committee will take the place of the "Rock County Farm" committee organized a year ago to promote show herds.

By having a representative from each breed association, the committee will advise the bureau on the livestock program and policy to be followed with the county show herds.

HOLSTEIN DIRECTORS SUPPORT SHOW HERDS

Full support to the Rock county Farm Bureau show herd was pledged by the directors of the Rock county Holstein association during the meeting held in the office of President J. A. Craig Monday evening. This breed association, however, insisted that before the show herd be sent out that the Farm Bureau be incorporated as to take care of a question of legal liability.

This show herd plan is a big proposition and worthy of the full support of the farmers of the county," stated President Craig. "However, we want the best animals of the county to go out as representing the county, not the individual breeder." The most of the Holstein herd will be assembled at once on the Janesville fair grounds and an effort made to properly fix the stock.

Arrangements will be made by the association for the annual fall sale of quality animals. Green, Walworth and Rock counties will join for the circuit of sales.

ON DANCING BILL PROTESTS RAISED

Action on the passing of a city dance hall ordinance was delayed until the next meeting by the city council at its regular session Monday night. One of the hottest controversies since the formation of the board is expected to arise following the debate of last night, when Councilman William McCue, objected to "respectable people being treated like a lot of kids."

The proposed legislation fostered by Councilman George Jacobs and backed by President Jensen provides for the inspection and regulation of dance halls in the city. Under the ruling, dances including club parties would be under police power and forced to close at midnight, unless getting special permits. It also provides that persons operating dances in the city pay a \$2 fee and persons making the operation of dance halls a business, a \$75 yearly license.

Objects to Outsiders. George Hatch, local dance hall operator, appeared before the council and made a strong plea for the elimination of dances conducted by transient parties. Mr. Hatch contended that if dances were to be operated in accordance with public decency that strangers should be prohibited from giving parties in the city. Mr. Hatch asked that a higher fee be allowed so as to keep undesirable parties out of the city.

Parade. No advertising of an nature or nature will be permitted in the parade. All teams and drivers will report at least 10 minutes before the parade. It is absolutely necessary to move at 1:45 p. m.

COUNCILMEN VOTE ABOLISHMENT OF DOCTORS' ZONES

(Continued from Page 1) of President Jensen, it was advised that the ordinance also apply to West Milwaukee street at South Franklin street, with the exception of 230 feet space from the corner to eliminate danger from turning street cars. Parallel parking on North Franklin street from Wall to Milwaukee was also included.

No-Turn Ordinance Continues. A motion of Councilman George Jacobs to allow complete turns on Milwaukee street, was turned down after Chief of Police Charles Newman had explained the difficulties in handling traffic at the intersection of Main and Milwaukee streets.

Although the board discussed for some time the advisability of altering the arterial highway system, no definite action was taken. Councilman Starr Atwood expressed himself in favor of making Pleasant street an arterial highway. It is expected that action will be taken on the matter at the next meeting.

City Sanitary Inspector Leigh J. Woodworth submitted a report advising the creation of a special board to insure pasteurized and certified milk in Janesville. Upon motion of Councilman Mrs. Emma M. Manning, the city attorney was ordered to prepare an ordinance incorporating the suggestions made by the inspector.

The new ordinance will provide for a commission of five members whose duty will be to insure that the milk sold in the city is of the best quality. The board will consist of five members: city health officer, one member from the council, one veterinarian, one member from the Rock County Medical association, and the city sanitary inspector. The board would be endowed with the power to inspect the cattle, equipment and employees.

Have Under Watchdog. Action on the North Franklin street viaduct construction will be deferred for a period of three years, in accordance with a resolution passed. The railroad will be obliged, however, to pave beneath the structure immediately, the present viaduct to remain unchanged.

A Letter from a Self Made Mapl-Flaker to His Son

Dear George:

Now that you're out "rasseling" the world to take a living away from it, your Ma and I are squirming on our ringle seats, wondering if you know a hamlock from a half nelson - and whether you think the rules of training were made to keep or to break.

It was no fool, George, that wrote "early to bed and early to rise" - you'll find it a pretty good rule to follow. And if you'll present that landlady of yours with a box of Mapl-Flake so you'll never fail to get a big dish in the morning, you'll find yourself stepping off the front porch with a lead-me-to-it-in-as-good-as-two-pennet-to-day feeling that will put that silver lining in your pocket before you know it.

I've learned a lot in 54 years, son. I hold no stock in the Mapl-Flake business - but I do know that wheat is the "staff of life" and that the bran that's in the whole wheat is "good for what ails me" - and you too. That's how your Ma and I came to be "Mapl-Flakers".

We've got to have our bran every day - Old Mother Nature can give the pill and dope makers hard and spades' ideas we get enough bran, and have good, delicious, nourishing eating.

It doesn't make much difference, George, whether you sit at a desk or swing a shovel, whether you "rassle" ideas or men, you've got to put real feel in the boiler and a big head of steam regularly if you're going to get up hear it.

Go to it, son. Put honest-to-goodness foot under your belt, get in rights and out daytimes, and you can't lose. Love from Ma and me.

An old dried-in-the-wool Mapl-Flaker.

CONCERTS PLANNED AT PLAYGROUNDS

High School Bands to Play Summer Series—Free Music Instruction Proposed.

Bands and music will play a larger part in playground work this summer than ever before, says V. E. Klotz, playground and beach director. Following out this plan, he has made arrangements for a series of band concerts by the high school bands, to be held afternoon on the various grounds, the remainder of the summer. In addition to this, band classes will be started for children and adults, with all instruction free.

The schedule of concerts, to be held different times in the afternoon, is as follows: Thursday, July 20, Adams and Jefferson; July 20, Washington, Douglas and Webster; July 26, Jefferson, Webster and Adams; August 3, Douglas and Washington; August 2, Webster, Adams and Jefferson; August 17, Douglas Adams, Washington; August 23 or 24, field day and picnic with the band. These are all open and free to the public.

Classes for band instruction will be started Friday. There is absolutely no fee, and those taking the instruction will be allowed to select their own instruments while they are taking their lessons. Instruments may be obtained from whatever source the person wants, either bought or borrowed. It is asked that interested turn out Friday for the first organization meeting. The schedule is: Friday, 10 a. m., Washington; 11 a. m., Douglas; 1:30 p. m., Webster; 2:30 p. m., Jefferson; and 3:30 p. m., Adams.

At the theatres

At the Apollo

"Mother of Mine" now playing at the Apollo theatre has been found to be a picture combining in an excellent manner a number of good features. It has melodrama, heart interest in the mother-love story, action, and comedy. The story is somewhat overworked, but here seems to have an unusual freshness. It tells of the murder in which the mother is implicated, of the refusal of the boy to confess his part and clear himself because it would involve his mother, and of the following the guilty one's confession, to the electric chair, where the boy was strapped and died a death, and of the mother's grief.

McDowell has been seen often in mother parts and months. She makes an ideal mother. Betty Blythe is also a star, and other parts are well taken. The picture was scheduled for but two days.

WALDMAN DELIGHTS WITH TENOR SOLOS

Sunday night's service at the Methodist church was featured by the beautiful singing of George Waldman, tenor, son of John Waldman, Janesville, who has been studying voice the past four years in New York City. A well-filled church heard the officers of the Epworth league which had charge of the service, tell of the work of their department. The officers are: Archie, first vice-president; Nellie Sisco, first vice-president; Lucille Atkinson, third vice-president; Cecil Clough, fourth vice-president; Quentin Bick, secretary; and Chas. S. Clair, treasurer.

Remaining Albany Founder Observes

Her 96th Birthday

Albany—Mrs. Maria Tibbitts quietly observed her 96th birthday Tuesday.

She was born July 3, 1837. In September, 1850, she was married to Zebina Warren, who died in 1884. She later married Capt. Charles S. Tibbitts, a Civil war veteran, who also is dead. She is interested in events of the day, writes articles for the paper and attends to her home, which is a social center for her friends.

Mrs. Maria Tibbitts, daughter of Capt. O. E. Pond, is the only remaining one of the 11 founders of Albany. She came here in June, 1816, from Newark, N. Y. The family traveled through the Erie canal and then took a lake boat at Buffalo and came to Racine. The trip from Racine was made with horses. Their first cabin was created on the present site of Albany.

Cunningham to Atlanta July 9-14

Roger C. Cunningham, past exalted ruler, will represent the local Elks at the national convention in Atlanta, Ga., July 9-14.

The great convention parade July 11 will be one of the features, with the appearance of 150 boy scouts costumed in purple and white, carrying an enormous silk flag that will stretch for nearly two city blocks.

On account of room shortage, many of the delegates will live in a great Pullman city. Arrangements have been made with the railway companies for parking the cars in the rail yard, under conditions that will render them as comfortable as the accommodations to be found in the best hotels of the city.

AUTO VICTIM GOES HOME FROM HOSPITAL

Mrs. Beatrice Kimbirk, Beloit, was removed Sunday night from Marcy hospital and taken to her home in Beloit. Mrs. Kimbirk, with Miss Florence Webb, were riding to Bredeford Friday night, in an auto mobile driven by Thomas Gibbank, Beloit, brother of Mrs. Kimbirk, when the car skidded into a ditch on Highway 20. Mrs. Kimbirk's neck was injured, and Miss Webb and Mr. Gibbank slightly hurt.

STORES WILL CLOSE WEDNESDAYS AT NOON

Retail stores will be closed in Janesville Wednesday afternoon during July 4th, in an auto mobile driven by Thomas Gibbank, Beloit, brother of Mrs. Kimbirk, when the car skidded into a ditch on Highway 20. Mrs. Kimbirk's neck was injured, and Miss Webb and Mr. Gibbank slightly hurt.

DEFER ACTION ON CULLEN PENALTY

Special Council Committee to Investigate—Snyder Retains Equipment.

Although the city board of education in its communication addressed to the council advised that J. J. Cullen & Son be penalized for delay in the erection of the new high school, in violation of their contract, the council at its meeting Monday night voted to defer action on the matter had been investigated. A committee will be appointed by President Jensen to hear the claims of the parties, before definite action is taken.

Sale of city property in the rear of the Louis Levy and Edward Amerphol residences on Jackson street was ordered, with provision that the property not be used for business purposes. The city also reserves the right to build a sanitary sewer across the land. The property consists of three lots in the ravine, directly adjoining Jackson street.

Highway Work Ordered. A petition was received requesting that curbs be placed on the Walker street between Milton and Garfield avenues. The work was ordered. The council also ordered the following streets: West Blue street from Highway 2 to Sherman avenue from Milton avenue to Prairie avenue; School street from Locust to Center streets; Washington street from Locust to Ravine; and Ravine street from Washington to Madison.

Upon motion of Councilman Mrs. Manning a resolution was passed providing for a weekly cleaning of the tourist camp on North Washington street.

Snyder's Report Rejected. Henry Carlson, Janesville, was requested to sign near the Jackson street bridge, which has proved annoying to the residents. Water connections to be paid for by the city were ordered to be installed at the Hill building bench on South Jackson street.

Monthly reports of the city health officer, building inspector, plumbing inspector, fire department, police department and city engineer were received. The council refused to accept the report of Glen Snyder, who still holds the equipment of the city after the board had voted assigning the work to Plumbing Inspector George Slightman. Replevin action was suggested in order to get the equipment from Snyder.

Forty-eight permits were issued by the plumbing inspectors and 92 inspections made. Fees amounted to \$35.50. The building department reported 34 permits issued, \$5 inspections and \$44 in fees. The city auditor reported showed 67 visits to new patients and \$5 to old. Beside care was furnished to 22.

Pay for Plumber. The petition of Fountain Hayes Co. of \$6,310.78 for improvements on North First street was ordered. A claim against the city amounting to \$14 for plumbing work presented by Mrs. Stearn was not allowed.

The petition of George Plakas, Reliable Exc Co., to operate a bus from Slaughter to Beloit was held over. Stanley Ryan, appearing for William Dougherty, attorney for the Rockford and Interurban Co., requested that a license be withheld from Plakas until the city has decided to run between Janesville and Beloit until further action is taken.

Many Licenses Granted. Licenses for the operation of non-intoxicating drink parlors were issued to the following: V. A. Knipp, David Ackerman, A. J. Flanniska, D. L. McCrane and T. K. Hellerud. Licenses for the operation of a second hand store was issued to J. J. and J. T. Waggoner.

Excavating Licenses were issued to Walter Schultz, McVicar Plumbing Co., McVicar and Palmer and George & Clinebous.

Bonded carrier licenses were issued to Burr Strang, George Plakas, and S. R. Sistrunk.

Excavating Licenses were issued to the following: Paul Buggs, John Nelson, L. Van Galder, Burr Strang, Bidwell Taxi Co., H. Robbins, R. P. Sundstrom, Ben Vincent, Frank Spohn and W. E. Gower.

Drivers Licenses were issued to the following: John Nelson, George Buggs, Paul Buggs, Harold Buggs, R. P. Sundstrom, R. Sundstrom, Curtis Bidwell, Walter Bidwell, Edward Condon, L. Van Galder, Ross Van Galder, Richard Condon, Harold Bidwell, H. C. Krueger, Henry Wisch, Leo Condon, W. E. Gower, H. Lawrence, Frank Spohn, Fred Olsen, William Press, H. Robbins, Robert Churchill and A. Kreuger.

The city engineer was given an operating license.

JUDGMENT AND THREE FORECLOSURES ORDERED. Judgment amounting to \$275 plus interest and attorney fees was awarded the Illinois State Bank of Quincy against Ernest Kaufman and Charles Reubert, Edgerton, co-partners in the Edgerton Decorating Co., Monday in circuit court. The award was given on five notes held by the bank. Mortgage foreclosures amounting to \$1,088.40 were granted the Merchants and Farmers Bank, Janesville, against Hugh and Grace Gallenreud, et al.

Acres of property were also granted the Janesville Grocery Co. against Minnie Beckman et al for \$3,980.60; and George Rudersdorf, Janesville, against Fred M. Kazel et al for \$4,262.

C. J. SUMNER ELECTED TO DELAVAN BOARD. Delavan, Wis.—C. J. Sumner was elected to the Delavan city school board in place of the Rev. C. W. Boardman who failed to continue at the annual school meeting held Monday night. Establishment of a junior high school when school opens in September was voted.

E. W. Walker was chairman of the meeting, at which 155 votes were cast. F. E. Wadmond, W. R. Topping and Frank Flood were chosen as the auditing committee for the coming year. The school tax for 1923-24 is \$43,700, of which \$27,500 is for teachers wages. Four additional teachers will be employed next year it was announced.

Fourth Postponed—Because of the storm of July coming on Wednesday, there will be no meeting of the Lion's club this week, secretary Otto Back announces. Plans to hold it Tuesday or Thursday were given up.

Obtains Judgment—Varsity Clothing and Shoe company, South Main street, has secured a judgment through Justice Charles Adams against George Fuzzell, former Janesville resident, for \$296.50 for clothing.

Series of Free Health Meetings Planned in County
As a part of a nation wide movement to improve health conditions of the county, a series of free health conferences will be conducted throughout Rock county this summer. Miss Anna Luetscher, county health nurse, said Tuesday.

The action to hold the conferences was decided upon at the last meeting of the Rock county health committee and will be conducted by competent physicians. The conferences will be held before entering school. The children will also be weighed and measured. Literature will be distributed to the mothers.

The following places will have conferences, Cooksville, Orfordville, Avon, Bergan and Avon. The conference at Avon will be July 12, from 1 to 5 p. m., at Woodman hall. Mrs. Walter Smith, Mrs. C. Wheeler and Mrs. C. McKitt will assist Miss Luetscher. Dr. Mitchell, Brookhead, will conduct the examination.

The action conference will be held July 13 at Brinkman's hall. The conference will be the same as the Avon conference. The conference in charge with Miss Luetscher is Mrs. O. E. Uehling, Mrs. J. Holmes and Mrs. Eugene Steinaker.

The dates for the other three conferences have not as yet been announced.

LAKE COUNTRY WAS HIT BY HEAT WAVE
Even in the northern Wisconsin territory where there are 240 lakes within a ten-mile radius, the terrible heat of last week and the week preceding it, was noticeable, says J. A. Stelner, general secretary of the Y. M. C. A., who with Mrs. Stelner and Mrs. J. C. Keller returned Saturday night from two weeks at Boulder lake, ten miles from the northern border of the state. The intense absorption of water from all the lakes caused a night rain fall, they said, but heat was intense during the day.

Mr. Stelner is unusually interested in Camp Manitowish, the state Y. M. C. A. camp at Boulder lake, as he was at the camp at its opening period some years ago. Three Janesville boys—Bill Wilcox, John Matheson and Robert O'Connell—are now at this camp.

"The next time I go out of town for more than two days," said Mr. Stelner Monday, "I am going to have the Gazette follow me. I never realized how badly I would miss the local news."

MISS HULCE QUILS LIBRARIAN POST

Head of Public Library Here 10 Months to Be Through August 18.

The resignation of Miss Jennie A. Hulce from the position as head of the Janesville public library was received by Fred Clemons, president of the board of directors, Monday.

Miss Hulce, who is spending the month in Chicago, has announced no plans for the future. She came here last September after many years' experience in the John Creaser library, Chicago.

Her resignation takes effect August 18. The matter will be taken up by directors at their regular meeting Friday, July 13.

Rotary Devotes Meeting to Boys

Talks by members on boys' work featured the weekly meeting of the Rotary club Tuesday noon at the Grand hotel. They were given by J. A. Craig, the Rev. Henry Williamson and Councilman Andrew J. Gibbons.

Some 350 county school board members are expected to attend the annual convention in Janesville Thursday, July 12. County Supt. of Schools Gilmore Longbotham announced Monday. Two or more delegates will be selected from each of the 161 school districts besides those interested in rural school work. The sessions will be held in the new high school.

Inspector of schools will be the chief speaker. Discussion will be given to rural school problems. Noted county boards will be sent to the near future by Mr. Longbotham. Board members are entitled to \$4 pay besides additional mileage money of three cents per mile.

CHILDREN URGED TO ENTER RACES

A. E. Bergman, Y. M. C. A. physical director, is anxious that there be a big turnout for the slow bicycle race, triangle contest and coaster wagon race on the Fourth of July and urges all children to take part. The slow bicycle race will be on West Milwaukee street, from Franklin to Main, at 11 a. m. the triangle race at 12:30 p. m. on West Milwaukee, River to Main; and the coaster wagon contest at the same hour and place.

The action does not mean that he will have to leave Janesville. He makes regular visits to Brodhead and in the future will attend all meetings of the council.

"REPEATERS" IN COURT ON BOOZE AND THEFT CHARGES

(Continued from Page 1)
Liquor was found was testified to by Chief Charles Newman, Tuesday, and resulted in the court holding him for trial. The chief said he uncovered a witness Monday night who is ready to testify that he bought liquor from Hallett. Arraigned on this charge, Hallett demanded an examination which was set for the same day as the trial. George Blanchard, Edgerton, is his attorney.

O'Leary in Agnion. With the memory of a \$100 fine still hanging in his mind O'Leary was arrested by three deputy sheriffs, Charles Burles, Frank Britt, and Herman Holzapfel—following a raid on his farm in the town of Rock, Edgerton. The officers allege they found three gallons of liquor, a coil and cooler, which O'Leary's boys had run out of the house with and were attempting to hide in the fields when the deputies began their search.

O'Leary demanded an examination which was set for July 11 and was released after providing bail of \$1,500.

Gannon Up for Larceny. Russell Gannon was arrested several weeks ago for the alleged theft of a tire from Harry Ryan, Janesville, and his trial has been set for July 17.

Just after he had furnished \$500 bail Monday and had been released from jail until his trial, Gannon was arrested a second time. This charge is also larceny, the result of thefts alleged to have occurred during a basketball tournament at Milton last December and in which George Gannon, Milton coach, is the complaining witness. The complaint charges Gannon with the theft of a \$10 overcoat from the Dillner, a \$6 leather jacket from C. G. Abendroth and a \$4 pair of shoes from Russell Hill, so that this alleged offense constitutes grand larceny.

A life examination on this second charge is set for the same date as his trial on the first, July 17. J. G. McWilliams represents him. Gannon is endeavoring to raise another \$500 to insure his liberty until that day.

SABOTAGE ON GIANT LINER MYTH, CLAIM OF REPRESENTATIVE

[BY ASSOCIATED PRESS.]

Washington.—Part of the official history of the World war will have to be re-written if a report brought back to Washington by Representative Madden of Illinois, a guest on the trial trip of the liner Leviathan, should turn out to be true.

Mr. Madden said that during the voyage he had been informed "on good authority" that the story of the crippling of the liner's machinery by her German crew, when she was seized by the United States, was a myth.

Department of Justice records describe extensive damage to the engine of the ship, which then was the Vaterland, and attributed to the German seamen, while the files of the navy department contain photographs of gaping holes in her boilers and of shattered machinery found when the American naval forces took charge.

Rain Had No Terrors for Them

Although the soft, steady rain of Monday evening broke no long continued dry spell, it was welcomed by farmers of the county, all rain this time of the year is needed for the rapidly maturing crops. The rain worked the hardest at the fair grounds, however, where the grand final rehearsal for the pageant, "The Land of Blackhawk," was held. It unannouncedly conformed in a finance committee bill appropriating \$55,000 annually to purchase the dairy herds of Wisconsin dairy herds. (The statement Monday of \$770,000 was an error in transmission.)

The light of the concluding session of the senate was centered about the surplus amendment to both university and normal school appropriation bills. These amendments were attached by the assembly, which refused to recede from its position by adopting the report of its committee on conference.

Schools Face Crisis. As each of these bills was reached, Senator A. H. Weston moved the senate conference committee report, disapproving of surpluses, be adopted. This motion carried and the bills died. After a meeting of the normal regents Monday, President Rogers of the board declared the normal schools faced a serious crisis which might necessitate their asking the governor to call a special session.

He pointed out that the schools would have no funds with which to pay 54 needed teachers, and would be without money for expansion, which the appropriation bill allowed.

U. W. in Better Condition. The University of Wisconsin is in a better financial position than the normal schools, because of a balance available for expenditure for operation. Its chief difficulty, according to officers, will be caused by inability to expend any money for capital and maintenance. It is considered likely that Governor Elston will call in university and normal school officials and the attorney general to determine legal questions that may stand in the way of expenditures from funds now available for the institutions.

The senate and assembly will continue to meet from time to time for ten days to give the governor an opportunity to study and sign bills.

SHERIFF HAS PAIR OF RAGGED VISITORS

Two of the hardest looking drifters ever lodged in the county jail are now being held by Sheriff Fred Beley, pending trial for vagrancy in Beloit. The men, John Lyons and Chester Klueger, were arrested Saturday.

When brought to Janesville their clothing was falling apart and Lyons was without shoes or socks. Quartered in the jail, the two vagrants seem to be at the height of contentment.

"In all my experience as a police officer, Sheriff Fred Beley said Tuesday, "I doubt if I ever saw such a pair of bums. They certainly were in the worst condition possible."

UNIVERSITY AND NORMALS FACING FINANCIAL CRISIS

(Continued from Page 1)
meeting. The opinion was prevalent among members that they would be called back in October to again tackle the whole tax problem.

Votes T. B. Funds. Before finally breaking up, the senate voted funds for bovine tuberculosis in Wisconsin. It unannouncedly conformed in a finance committee bill appropriating \$55,000 annually to purchase the dairy herds of Wisconsin dairy herds. (The statement Monday of \$770,000 was an error in transmission.)

The light of the concluding session of the senate was centered about the surplus amendment to both university and normal school appropriation bills. These amendments were attached by the assembly, which refused to recede from its position by adopting the report of its committee on conference.

Schools Face Crisis. As each of these bills was reached, Senator A. H. Weston moved the senate conference committee report, disapproving of surpluses, be adopted. This motion carried and the bills died. After a meeting of the normal regents Monday, President Rogers of the board declared the normal schools faced a serious crisis which might necessitate their asking the governor to call a special session.

He pointed out that the schools would have no funds with which to pay 54 needed teachers, and would be without money for expansion, which the appropriation bill allowed.

U. W. in Better Condition. The University of Wisconsin is in a better financial position than the normal schools, because of a balance available for expenditure for operation. Its chief difficulty, according to officers, will be caused by inability to expend any money for capital and maintenance. It is considered likely that Governor Elston will call in university and normal school officials and the attorney general to determine legal questions that may stand in the way of expenditures from funds now available for the institutions.

The senate and assembly will continue to meet from time to time for ten days to give the governor an opportunity to study and sign bills.

SHERIFF HAS PAIR OF RAGGED VISITORS

Two of the hardest looking drifters ever lodged in the county jail are now being held by Sheriff Fred Beley, pending trial for vagrancy in Beloit. The men, John Lyons and Chester Klueger, were arrested Saturday.

When brought to Janesville their clothing was falling apart and Lyons was without shoes or socks. Quartered in the jail, the two vagrants seem to be at the height of contentment.

"In all my experience as a police officer, Sheriff Fred Beley said Tuesday, "I doubt if I ever saw such a pair of bums. They certainly were in the worst condition possible."

BASEBALL GAMES, FIREWORKS WILL BE FORT FEATURE

Fort Atkinson.—An old fashioned picnic, baseball games, and fireworks will form the program here the Fourth of July. The celebration will play baseball in the morning and Delavan and Fort Atkinson in the afternoon. Fireworks display will be at night.

Marriage Licenses.—Applications for marriage licenses were received Monday at the county clerk's office from: Evelyn Penna and Ruth Hanson both of Beloit; Floyd Ross, Racine, and Belle Peinne, Beloit; Donald Ellsworth, Detroit, and Rose Anderson, Beloit.
